Meet The Easter Bunny

Enter at the Stillwater Industrial Park middle entrance at 10138 W Shelton Matlock Road (approx. mile post 10). Watch for the Signs on Shelton Matlock road at the entrance that guide you to the parking area. Tickets are available at [simsponrailroad.org](http://simsponrailroad.org) or track side. The ride is around the loop of the industrial park a distance of approximately 2.25 mile. That ride includes a stop at our operations area. At that stop you can hunt for Easter eggs, you can get your picture taken with the Easter bunny even kids face painted and much more. Each egg is yours to take home and contain candy or toys and a few may even have a special prize. While visiting us we will have souvenir Simpson Railroad gift items for that hard to find railroad person (no ticket required to purchase souvenirs/gifts). At the boarding area you can take your picture in front of the Simpson giant loaded log car and see the logs that once come out of the forests surrounding Mason county. All the funds raised go towards expanding our public events and bringing full scale scenic and holiday train rides to Shelton and the Simpson railroad.

Note: this is an all weather event. Our trailer cars or cabooses have windows and are out of the weather. But the egg hunt is outdoors and possible in the weather while the museum building is unheated. As always when around the railroad watch and listen for moving trains.

Trains leave every few minutes (approximately 15/20).

Exchange your online tickets for souvenir tickets/boarding pass in our Stillwater depot.

Meet The Easter Bunny

Interested in volunteering for the Easter Bunny Special. It takes several volunteers to put on our events. For example we need someone to help the Eastern bunny take care of the his Easter eggs patch, crafts helper, talk about our museum displays or even equipment tours.

These events are a great way to get started working on the Simpson Railroad. Help with train operation such as conductor or engineer. Some might be more restoration, equipment maintenance, event planning and marketing, grant funding all sort of opportunities for all skill levels wait you

Interested in volunteering please drop us a line on Facebook, our at [contact@simpsonrailroad](mailto:contact@simpsonrailroad) or ask one of our volunteers while you attend our event.
